

## Enemies wake when they see you.

A compact Persian-inspired tactical RPG where one careful move can control the fight, and one bad step can wake the road.

Lead Pahlavans

Command Divs

Send Dastur Z

Pahlavan Chess

## Survive four dangerous roads.

Scout sight lines. Protect the wounded. Spend scarce recovery tools. Then decide whether to press forward before the next fight wakes up.

### Grid tactics

Move, aim, heal, shove, and survive on a readable tactical map.

### Line of sight

Enemies join the fight when they spot you.

### Dice drama

Critical hits, saves, misses, prone turns, and clutch recoveries.

### More modes

Lead pahlavans, command divs, call Pharhad, send Dastur Z, or practice in Pahlavan Chess.
